

# 'HISHIO Friends' Subscription Information

## About HISHIO Friends

Friends of Hishio have been our most important supporters; both as audience, and as contributors and participants. Collectively they make a huge contribution towards making Hishio such a vibrant and special place.

Our Local friends, International and Corporate Friends, help fund our projects. Without your support we would be obliged to reduce our activities, and we always welcome new Friends.

### Join Us

- a Annual donation of ¥3,000
